September 20, 2021

Subject: VTF Beginner-Track Penetration Testing Internship Welcome Letter

Dear Arijit Bhowmick,

Congratulations! On behalf of Virtually Testing Foundation, we are pleased to inform you that your application has been approved for Virtually Testing Foundation Beginner-Track Penetration Testing Internship beginning **October 1st, 2021** and will complete on **December 17, 2021**. We are excited to welcome you to the Virtually Testing Foundation community.

During this internship program, you will learn about OWASP Top 10, hands-on Web Application Penetration Testing as well as professional management & networking.

Join Virtually Testing discord server to learn about the next steps. You can communicate with fellow interns, managers, proctors, and subject matter experts on discord. Also, do refer to the provided Discord Guide to get yourself set up while joining the VTF discord server.

Save the date/time for the **mandatory orientation** session **on October 1st, 2021 at 6:00am PDT** (October 1st, 2021 at 6:30pm IST).

Start your internship by joining the **discord link provided in the email**. Make sure to join the discord **before September 25th, 2021**. Failure to do so will result in being dropped from the internship. If you have any questions please raise a ticket at Spiceworks **Help Desk** by referring to the provided guide.

Welcome to VTF Beginner-Track Penetration Testing Internship!

Sincerely,

VMonga
